The Transpy Department has been informed that was brought nearly two years ago by lowing gloomy account of the state of the crops in Mecklenlung county, Virginian

No amount of rain can now make a corn crop.

The Case is a hopeless one and control of the state of the crops in the case is a hopeless one and possecuted by him, with the case is a hopeless one and control of the state of the crops in the receipts of New York during the last week were nearly eight and a half millions, all of which, excepting 4500,000 from the creations where the control of the crops in the receipts of New York during the last week were nearly eight and a half millions, all of which, excepting 4500,000 from the creations where the crops in the receipts of New York during the last week were nearly eight and a half millions, all of which, excepting 4500,000 from the creations where the crops in the receipts of New York during the last week were nearly eight and a half millions, all of which, excepting 4500,000 from the creations where the crops in the receipts of New York during the last week were nearly eight and a half millions, all of which, excepting 4500,000 from the creations where the crops in the receipts of New York during the last week were nearly eight and a half millions.

The stream of th

watched from year to year the growing reputation and the earnest labors of this institution. It is of part of Louisville. Its professors are identified with her. Its soccess contributes to the prosperity of our city, and we feel that, in presenting its claims upon public putronage, we but do that which his all justice wears bound to do, and which, if it produces any affect, will contribute to the prosperity of duces any affect, will contribute to the prosperity of duces any affect, will contribute to the prosperity of duces any affect, will contribute to the prosperity of Louisville.

The Book or Mormon —The New Tork Times publishes literal transcripts from the books of Japan published in this country, and it seems that Brigham Young has learned the Jesuit art of setting aside its eatherity whenever its precapts interfere with his licentious wishes or his hierarchal embition.

The Eog Crop. —The Buffale Express makes are a curious orthuste, to the effect that "there are 10%.

The Eog Crop. —The Buffale Express makes are a curious orthuste, to the effect that "there are 10%.

THE EGG CROP.—The Buffalo Expense makes a curious orthuste, to the effect that "there are 103... 600,000 laying fowls in the country, of which 50... 600,000 lay each an egg a day throughout the year. This would give the annual crop of 18,250,000,000... actions to the present one, which will in a short property and these at civil country. The country of the country

Our heas are our greatest institution.

Wa find the following lateresting axplanation of the nature of talegraph of crations on extended lines of wire, as specially applicable to the Atlantic cable, telf in at least three degrees of moral tarpitudes in the Boston Daily Advartiser:

in the Boston Daily Advartiser:

It is letter to California, sent on the eve of the Prasidential election, when ha had pledged himself to write nothing after his letter of acceptance, was positively shameful; his second, to the Pannsylvania Legislature, lobbying for Ferney's election to the U. S. Sonate, was comparatively degrading; and his third effort, placing himself on the stump for Engal his bill, was emperiatively degrading; and his third effort, placing himself on the stump for Engal his bill, was emperiatively atrocious.

See Sonator Douglas is denounced by the Locompton Democrate eas a shade darter in his polities than a Black Republican, and yet Mr. Stevens of Georgia advocates his reelection to the Senato of Georgia advocates his redection to the Senato of the Senato of Georgia advocates his redection to the Senato of the Senato of Georgia advocates his redection to the Senato of Georgia advocates his redection of the Senato of Georgia advocates his redection to the Senato of Georgia advo of Georgia advocates his reelection to the Senate, if the Douglas man and the Buchaseers aver remaite, will the Republicanism of the former shoots the Locofocoism of the latter, or elec versa? At any of the latter, or elec versa? At any the Locofecoism of the latter, or cice errord At any rate, the rennion must prove a very diagnating specimen of political amalgamation.

The Atlantic telegraph is nearly two thousands the shortest period in which complete stands. Now, it is well known

tee on banks. Ha thinks they were incomposed to discherge the duties assigned them, and hints pretty plainly that they did not know what they were doing when they made their report.

At 1 45 A. M., having arrived abreast the landing place, lat go the anchor in 15 fathous water.

At 3 A. M. cat the cable are commenced paying it into 2d center for landing the end.

At 3 A. M. cat the cable are commenced paying it into 2d center for landing the end.

At 3.30 the beasts of Niagan, Gorgon, and Forces into effects of the wound. the bests.

At 5.50 A. M. landed the end of the cable, was dragged by the officers and men 5% of a the telegraph station house, where prayer

The State Agricultural Fair .- We ere gratish, which migrates from one part of the ocean to the common of the comm

conjectural opposition to the plan must come, if et all, from the fancial local interest of local leaders.

This opposition the masses should evercome.

To speak frankly, the American movement was made at a most unpropitions moment. It has had no chance for a fair national hearing. The repeal of the Miscouri compromise creates such an intense of the Miscouri compromise creates such an intense sectional excitement as to eachied the consideration.

The measurement has about the present of the such as the su

would the Whig banner be unfarled than all these men of worth and not over would flock to their old standard and lead the van in the party's onalaught party in the Democracy. Their inatincts of conservation and nationality would promptly bring their powerful aid to the coatest. The aid and infinescent to be derived from the taleats and characters of much men are not easily overestimated.

A Whig party, we confidently tellere, could carry more than two.

A Whig party, we confidently tellere, could carry more than two.

It is a remarkable fact that the canse of Gen. Pilcher's fault filescent was a binary Ledger.

So far as we know or have been able to learn, not bedy has ever mustioned the name of any individual as guilty of having thrown that brickbat et Gen.

Fitcher while be was bravely haranguing the mob. If the elightnest empirical many once in particular, or my any once in name has been the tellered even in a whinger, we cannot learn the fact. We ask then what authority the editor of the New Albany Ledger has for mying that the missen of the control of the day, and all builders, lumber-mene, mechanics, and manders, and manders, and manders, and many the most efficient labor-aving inventions of the day, and all builders, lumber-mene, mechanics, and manders, and all builders, lumber-mene, mechanics, and manders, and and builders, lumber-mene, and all builders, lumber-mene, mechanics, and the day, and all builders, lumber-mene, mechanics, and the day, and all builders, lumber-mene, mechanics in of the dey, and all builders, lumber-mene, and all builders, lumber-mene, and all builders, and the size and thickage method the standard of the most of the day, and all builders, lumber-mene, mechanics in or the dey, and all builders, lumber-mene, mechanics in or the dey, and all builders, lumber-mene, mechanics in or the day, and all builders, lumber-mene, mechanics in or the day, and all builders, lumber-mene, mechanics in or the day, and all builders, lumber-mene, mechanics in or the day, and all builders, lumber-me

SAFE YOUR SUFFER.

The popularity of the MEXICAN MUSTANO LINIMENT, is coextensive with the civilization of the globe. Other articles claim to alleviate pain and distress—this cures. Family Physicians, Gevernment Hospitals, Navel Dispensatories, Farriers, I'lanters, Farmers, Livery-men, &c., have practically demonstrated this fact, throughout the world. No criticle ever before received such undivided praise and support from Medical and Scientific men.

HORSES CATTLE, &c.

such as Ring-bone, Galla, Spavin, Scratches, Poll-Evil, Sweeney, Hoof ail, &c., are subdued and cured by the MUSTANG LINIMENT. VALUABLE HORSE SAVED,

stract.) "In lifting the bettle from the fire it be unmanageable, tilted neer, and scalded my hands reversily, almost to a crisp. It was an awful eight. Mustang Liniment appeared to attract the pair. It was all repidity, without soreness, and left me care of as at a principle, without soreness, and left me care of as at a principle. Truly yours, CHARLES FUSTER. rely yours, CHARLES FOSTER.

Such language as this, is but lhe constant and netural echo wherever this article is used.

This Liniment is indispensable to Planters, and owner of horses and mules.—Mr. John Danierman, Montgomery, Ala, sold a slava for \$800 who was raised from utter uselessness by this Liniment. Every femily should have it. Be very particular and inquire for the Mustang University and takes of the superior of the Mustang University and takes of the superior of the Mustang University and takes of the superior of the Mustang University and takes of the superior of the Mustang University and takes of the superior of the Mustang University and takes of the superior of the Mustang University and takes of the superior of the Mustang University and takes of the superior of the sup iniment, and take no other.
